## **Access to Recovery III (ATR III) Service Providers**

### **PROVIDER ALERT**

**October 1, 2012**

Advanced Behavioral Health (ABH<sup>®</sup>), in coordination with the Department of Mental Health and Addiction Services (DMHAS), has been assessing needs and monitoring resources to plan for the upcoming 2012-2013 fiscal year. As a result, we have made the following changes:

- We will be closing our Torrington access center. Beginning 10/19/12 we will be completing intakes in Waterbury at 50 Oak Tree Lane every other Friday instead.
- We will be reducing the maximum amount available under wellness services to \$110. This will start 10/1/2012 for all clients, new and existing.
- Client incentive gift cards received after the FGPR will be for \$20 to Walmart only. Bus passes will no longer be available when completing the health survey beginning 10/8/2012.

In addition, please be reminded that the ATR fiscal year ended on 9/29/12. To ensure timely submission of our federal reports, we are asking all providers to enter all billing for year 2 services in a timely manner. An email will be sent at the end of October with a final billing cut-off date.
